She is also experienced with creative design solutions / Cure Plans for land owners working with FDOT through right-of-way takings/ eminent domain proceedings.

International Coastal Cleanup

CMA participated in the International Coastal Cleanup on Saturday Sept 21! This was our second year participating! The International Coastal Cleanup began more than 30 years ago, when communities rallied together with the common goal of collecting and documenting the trash littering their coastline. Volunteers from states and territories throughout the U.S. and more than 100 countries come together each year and participate in a Cleanup event near them. Thanks to CMA's community service committee for organizing.

Quantum House

CMA's West Palm Beach office prepared and served dinner at Quantum House on October 8, 2019. QH is a caring and supportive home for families whose children are receiving treatment in Palm Beach County for serious medical conditions. They opened their doors in May 2001 to families and now have 30 rooms, serving more than 1,000 family members every year. QH is still the only hospital hospitality house serving children and their families this way between Fort Lauderdale and Orlando, Florida. Learn more about the families here <https://quantumhouse.org/meet-our-families/>

FAU Events

Jennifer Smith, P.E. attended at the Explore FAU event on October 19. This event hosted future FAU Students to learn about the Engineering and Computer Science Programs FAU had to offer. Jennifer spoke to the students about her experience at FAU and accomplishments since graduating. On October 23, CMA representatives Joel Brownsey, P.E., Dr. Ben Chen, P.E., BCEE, Suzanne Dombrowski, P.E., ENV SP, Paula Fonseca, P.E., and Jennifer Smith, P.E. also attended FAU's Infrastructure night. The evening included networking with engineers, construction professionals, faculty, alumni and students within the building and design industry. The keynote speaker was Florida Department of Transportation Assistant Secretary for Engineering & Operations Courtney Drummond. CMA served as a sustaining sponsor.

FELI Program

Senior Engineer Patrick Kaimraj, P.E. was accepted in the Florida Engineering Leadership Institute (FELI) class of 2020. FELI was created with the mission to transition engineering professionals into community professionals and leaders within our societies, communities, and workplaces. Through its initial 10-month class, FELI enhances the leadership skills of its participants and sets out a clear pathway to put these skills into practice serving our profession and our communities. FELI also provides networking across the current and past classes, serving as an outreach group to business and community leaders. By fostering interaction that puts training into practice, FELI achieves its mission to "Transform Leadership Opportunities into Reality." Congrats Patrick!

2019 Zweig Group Conference

CMA Vice President Jose L. Acosta, P.E., FASCE attended the 2019 Zweig Group Hot Firm + A/E Industry Awards Conference in Las Vegas October 4-6. The event is the industry's largest and most comprehensive business conference for leaders and aspiring leaders of AEC firms in the U.S. Attendees networked, gained knowledge, and celebrated with the top firms in the industry. The conference agenda included topics on technology, leadership challenges, business planning, marketing methods, recruiting and retention, and growth strategies. Jose also accepted CMA's awards: CMA placed # 38 in the Multi-Discipline category in the Zweig White Best Firms to Work for Awards; # 33 in the Civil Engineering category in the Zweig White Best Firms to Work for Awards; #70 on the Hot Firms list, an annual ranking of the 100 fastest-growing firms in the architecture, engineering, planning, and environmental consulting industry, up from #86 in 2018. Congratulations to the entire CMA team!
