Tau Beta Pi Magazine

Senior Engineer David Cowan, Jr., P.E., ENV SP, LEED AP made the cover of the Tau Beta Pi volunteers magazine. It's National Volunteer Month and Tau Beta Pi joins the nation in paying tribute to the essential work of volunteers. See the complete 14-page digital publication listing all of the volunteers who carry out Tau Beta Pi's support of engineering excellence here: <https://isc.pagepro.mydigitalpublication.com/publication/?i=704281>

Relay for Life

CMA staff participated in The American Cancer Society Relay For Life! The event was held at Cooper City High School Saturday, June 5 from 3 p.m. to 9 p.m. Relay for Life is a national fundraising event where team members take turns walking around a track or designated path. Each event is 6-24 hours in length and each team is asked to have a member on the track at all times to signify that cancer never sleeps. This is an event that also honors the lives lost to cancer, celebrates survivors, and supports the caregivers. CMA's team was able to raise a total of \$1,042.86 from donations and fundraising combined. For more information or to donate to our team, please visit https://secure.acevents.org/site/STR/RelayForLife/RFLCY21SER?team_id=3582457&pg=team&tr_id=99252roster

Doral White Course Park Groundbreaking

Doral Mayor Juan Carlos Bermudez, City Council, staff along with Kaufman Lynn Construction and Waypoint Contracting, Inc and Chen Moore and Associates, broke ground on the Doral White Course Park project on Tuesday 5/4. The park is scheduled to be completed during the first quarter of 2022.

Doral White Course Park will include shaded playground, a waterfront event plaza, outdoor fitness stations, a multi-purpose green space area, fenced-off dog area, restrooms, and shelters. CMA is providing civil engineering and landscape architecture for this project. Associate Engineer Nick Karpathy, E.I., ENV SP represented CMA at the event.

Meet our New Employees!

Employee: Saul Bilancieri, E.I.
Office: Miami

Title: Associate Engineer
Mr. Bilancieri recently joined CMA's Miami office as an Associate Engineer. His previous experience includes tracking, analyzing, and organizing documents and materials and assisting with scheduling, quantity reporting, project budgeting and forecasting. He has also performed project site management and monitoring progress to adhere to design specifications; coordinated with subcontractors and vendors; implemented document storage, control, and deliverable systems for projects; and prepared project Stormwater Pollution Prevention Plan (SWPPP) inspections and documenting. He has experience with Bluebeam Revu, Adobe Acrobat XI, AutoCAD, Revit, Lumion, Solidworks.

Congratulations!

We are proud to announce that the following CMAers Jessica Diaz, E.I., Teresa Lewis, E.I., Vince Locigno, E.I., and Craig Wallander, E.I. recently passed the PE exam. Congratulations!

Zweig White Best Firms to Work for Awards

CMA placed 38th in the Multi-Discipline category in the Zweig White Best Firms to Work For awards for the Architecture/Engineering/Construction industry. CMA also placed 17th in the 50-100 employees category. CMA will receive an award at the upcoming Elevate Leadership Summit in Denver in November. Thank you to all staff that completed the survey!

CMA is proud to have ranked 83rd place in the Zweig Group Hot Firm list. Firms are ranked on the Hot Firm list by a score comprised of both dollar and percentage revenue growth rate over a three-year period. Winners will be honored at the 2021 Elevate AEC Conference in Denver, CO, November 3- November 5 and at Zweig Group's Virtual Elevate AEC Conference September 13-October 8. This is the 8th time that CMA has been ranked in the Hot Firm list in the past 15 years. Congratulations to all of our employees! <https://www.zweiggroup.com/>

Sun Sentinel Awards

CMA has been named a South Florida Top Workplace by the Sun Sentinel! CMA was recognized at the Top Workplaces Awards event held virtually on Thursday, May 20 and ranked 17 in the Small Employer Group. CMA will also be featured in Sunday's edition of the Sun Sentinel in the annual Top Workplaces special section.

Being named a Top Workplace is based solely on employee feedback gathered through a third-party survey administered by employee engagement technology partner Energage, LLC. The anonymous survey uniquely measures 15 drivers of engaged cultures that are critical to the success of any organization: including alignment, execution, leadership, and connection, just to name a few. Thank you to all of our employees who completed this survey!

Beach Cleanup

CMA's community service committee organized a beach cleanup on May 15. A total of 16 volunteers cleaned Pompano Beach and the team collected 7 bags of garbage!

ASCE Concrete Canoe Competition

CMA President and CEO Peter Moore, P.E., FASCE, ENV SP, LEED AP, Vice President Jose L. Acosta, P.E., FASCE and Associate Engineer Carlos Tijerino served as judges for the ASCE Southeast Student Conference Concrete Canoe Competition on March 25-26. Nancy Lehr, P.E. of Moffat and Nicol in Virginia and Dave Livingston, P.E. of Brasfield and Gorrie in Tennessee also served as judges.

The virtual event was hosted by Vanderbilt School of Engineering and students from over 14 schools participated in the competition. The goal of the event is to provide civil engineering students with an opportunity to gain hands-on, practical experience and leadership skills by working with concrete mix designs and project management. For more information, please visit <https://engineering.vanderbilt.edu/cee/ase-asce2021/events/national/concretecanoe.php>

STEMpossible Speaker Series

CMA Project Landscape Architect Stefan Bortak, PLA, ASIC, CID participated as a guest speaker in the STEMpossible Speaker Series sponsored by Valencia College on April 8 at 7 p.m. The online event featured a panel of six guests representing the diversity of careers in engineering fields including: mechanical, electrical, civil engineering, landscape architecture, computer software and systems engineering. The event was geared towards current students as an opportunity to interact with and gain insights from experts in engineering and computer technology fields.

Stefan has over 16 years of project experience that includes parks, sports facilities, university campuses, urban streetscapes, transportation projects, and community master planning. He worked full-time while attending UCF, where he completed a BS in Interdisciplinary Studies, fusing his passions for engineering and the arts, and earning a minor in Business Administration. Details available at: <http://tinyurl.com/stemengine21>

JDRF Walk

CMA's community service committee completed a virtual walk event for JDRF (Juvenile Diabetes Research Foundation) One Walk. The team exceeded our goal and raised \$610 while virtually walking a total of 46 miles. Congratulations! For more information visit https://www2.jdrf.org/site/TR?tr_id=8259&pg=team&team_id=310418

Habitat for Humanity

CMA President Peter Moore, P.E., FASCE, ENV SP, LEED AP participated in the Habitat for Humanity of Broward CEO Build 2021 on Saturday, May 15. More than 47 leaders worked together in Pompano Beach to help Habitat for Humanity of Broward serve more families to have safe shelter. The annual event is offered to local CEOs as an opportunity to champion affordable housing and improve the health of our businesses and our community. For more information, please visit <https://www.habitatbroward.org/>
